A. The Unit is subject to the terms of Section 15-22-186 of the Mauka Area Rules ("Conditions on transfer of reserved housing units"), which section is hereby expressly incorporated into this Deed by this reference. Section 15-22-186 of the Mauka Area Rules provides, in its entirety, as follows:

*§15-22-186 Conditions on transfer of reserved housing units. (a) The transfer of reserved housing units shall be regulated in accordance with the conditions set forth in subsection (c) of this section for a minimum number of years following the original sale of the unit as prescribed in subsection (b) below. The authority may elect to extend the period on a case-by-case basis.*

*(b) The regulated term for reserved housing units shall be established based on unit affordability. Unit affordability, expressed as a percentage of median income, shall be determined based on the standard household sizes established in §15-22-185 and affordability criteria set forth in §15-22-185.1. Reserved housing units affordable to qualified persons with adjusted household incomes:*

- (1) Less than one hundred per cent of median income shall be regulated for ten years;*
  - (2) One hundred to one hundred nineteen per cent of median income shall be regulated for five years; and*
  - (3) One hundred twenty to one hundred forty per cent of median income shall be regulated for two years.*
- (c) The conditions for transferring reserved housing units during the regulated term are*

*as follows:*

- (1) If an owner wishes to transfer title to the reserved housing unit, the authority or a governmental agency approved by the authority shall have the first option to purchase the unit at a sales price based on the lower of:*
  - (A) The current fair market value of the reserved housing unit less the authority's share of the equity in the unit as determined by section 15-22-187 of this chapter; or*
  - (B) The original sales price of the reserved housing unit adjusted proportionately to the change in median income computed from the date of the purchase to the date of the sale.*
- (2) If the owner is purchasing another reserved housing unit as provided in section 15-22-182(c), the owner shall sell the reserved unit to the authority, prior to or upon the closing of the sale of the larger reserved unit, at a sales price based on the lower of:*
  - (A) The current fair market value of the reserved housing unit less the authority's share of the equity in the unit as determined by section 15-22-187 of this chapter; or*
  - (B) The original sales price of the reserved unit plus one per cent simple interest per year of said sales price computed from the date of the purchase to the date of sale.*
- (3) The owner shall notify the authority in writing of the intent to transfer title to the reserved housing unit and the property or the lease. The authority shall respond to the owner's notification by either waiving its option to purchase the unit, or by agreeing to buy the unit or providing a substitute buyer for the unit at the price calculated in subsection (c)(1) or (2). The authority shall notify the owner of its decision within sixty days of receipt of the owner's notification.*
- (4) The authority may purchase the unit either outright, free and clear of all liens and encumbrances; or by transfer subject to an existing mortgage. If by outright purchase, the authority shall ensure that all existing mortgages, liens, and encumbrances are satisfactorily paid by the owner.*
- (5) In any purchase by transfer subject to an existing mortgage, the authority shall agree to assume and to pay the balance on any first mortgage created for the purpose of enabling the owner to obtain funds for the purchase of the unit and any other mortgages which were created with the approval and consent of the authority. In these cases, the amount to be paid to the owner by the authority shall be the difference between the price as determined herein and the principal balance of all mortgages outstanding and assumed at the time of transfer of title to the authority.*

(d) *After the end of the regulated term, the owner may sell the unit or assign the property free from any transfer or price restrictions except for applicable equity sharing requirements set forth in §15-22-187 of this chapter.*

(e) *The conditions prescribed in subsection (c) above shall be automatically extinguished and shall not attach in subsequent transfers of title when a mortgage holder becomes the owner of a reserved housing unit and the land or leasehold interest pursuant to a mortgage foreclosure, foreclosure under power of sale, or a conveyance in lieu of foreclosure after a foreclosure action is commenced. Any law to the contrary notwithstanding, a mortgagee under a mortgage covering a reserved housing unit and land or leasehold interest subject to the transfer restrictions of the authority shall, prior to commencing mortgage foreclosure proceedings, notify the authority of (1) any default of the mortgagor under the mortgage within ninety days after the occurrence of the default, and (2) any intention of the mortgagee to foreclose the mortgage under chapter 667, HRS. The authority shall be a party to any foreclosure action, and shall be entitled to all proceeds remaining in excess of all customary and actual costs and expenses of transfer pursuant to default, including liens and encumbrances of record. The person in default shall be entitled to any amount remaining provided the amount shall not exceed the lower of the amounts computed in subsection (c)(1) above.*

(f) *The provisions of this section shall be incorporated in any deed, lease, mortgage, agreement of sale, or other instrument of conveyance for reserved housing units.   - (2) *An amount equivalent to the authority's percentage share of net appreciation calculated as the difference between the original fair market value of the unit and its original sales contract price, divided by the original fair market value of the unit.
